Motion to approve May 18, 2022, minutes made by Ron Taylor. Seconded by Craig Mills.
All in favor, m/c.

Account ledger received and filed.

Terry asked if Ray has been out to survey. Neither Craig nor Chris have seen anyone or been contacted about the survey. Ron states that nothing is out of the account and Craig states that sometimes the invoices are submitted all at one time. Chris stated that the first treatment last year was in June. Craig agreed that this year everything is a little behind. Chris stated that there aren't any algae blooms yet. Ron states with the 90-degree days there will be. Craig expects to see some algae blooms. Ron states typically we are in real good shape. Craig states we are in good shape. Ron states don't be surprised if the chemicals go up or they tack on a gas surcharge. Terry asked how many people do you think come in and out? Chris stated that are 5 or 6 a day. Craig stated that there are a couple of guys fishing every day. Ron asked how was the holiday weekend? Craig and Chris said it was busy but dropped off after that. Terry asked who has the loud boat? Craig thinks it might be Hanes's boat. It pretty loud. Red and white and Red or silver is a loud boat. Craig stated that you can open and close the exhaust. Chris stated that a boat that is yellow and black is very loud. Ron stated over all the weeds aren't that bad. Chris and Craig not to bad. Chris stated that after this weekend and next week it will get bad. Ron stated that it dips down this weekend and get up in the 90's next week. Craig asked if Chris had checked the water level. Chris said yes. It's been at the same level for 3 weeks. We have received enough rain to maintain the level. Ron asked Lucy to call Ray and see if he has treated the lake because we haven't received any invoices for payment. Chris states it could use a treatment soon for sure. He also said that they have sprayed once for mosquitos on the lake and was supposed to do it again today. Ron stated they probably won't do it tonight because we are going to have 20 mph winds.
